Dear Alumni and Friends,

While we were eagerly looking forward to holding an in-person event for the 25<sup>th</sup> Anniversary Celebration on Sunday, October 3, 2021, we have made the difficult decision to postpone this event until Spring of 2022. Unfortunately, COVID-19 cases are on the rise and the delta variant is causing additional threats to public health and safety. The safety of our alumni, friends and the community are very important, which is the primary reason for the postponement. The new date for our event will be on Saturday, February 26, 2022 at the same location in Pasadena. Additional details will be sent at a later date.

Please keep an eye out for the updated details regarding the 25<sup>th</sup> Anniversary Celebration. Refunds will be processed upon request or otherwise applied towards the new date in anticipation of your attendance. We look forward to you joining us in February 2022 as the College celebrates 25 Years of Excellence!

Stay safe and be well,
